QUOTATION

No.	Description of Goods	Unit Price	Amount
1	CNC ROUTER CC-BS1213Q	FOB Qingdao FOB12600	FOB Qingdao USD12600

Noted:

1. Packaging: Iron tray.
2. Weight: 1800kgs.
3. Delivery time: 30 working days.
4. Guarantee: 12 months.

The Main configurations as below:

1. XYZ Working area: 1200mm*1300mm*600mm
2. Italy HSD 6kw air cool spindle
3. Delta servo motor and driver
4. Computer Control by Nc studio 53B
5. Taiwan Guide rail; Taiwan TBI Ball Screw;
6. Worktable :Steel table

7. Germany Igus Cable;

8. Dust collector: 1.5kw with two bags

Parameters:

XYZ Working Area	1200mm*1300mm*600mm
Lathe structure	Strong heavy Seamless welded steel structure
XY Structure	Rack and pinion transmission, Taiwan square Guide rail
Z Structure	Taiwan TBI Ball screw, Taiwan square Guide rail
Spindle	Italy HSD 6kw air cool spindle
Spindle speed	0-18000mm/min, variable speed
Max. Idling Speed	35m/min
Diameter of cutter	3.175mm-12.7mm
Inverter	Delta
Motor and Driver	Delta servo Motor and Driver
Control System	Computer Control by Nc studio
Worktable	Steel table
Cable	Germany Igus Cable
Command	G code (HPGL, U00, mmg, plt)
Software	Artcam, Type3, Wentai
Dust collector	1.5kw with two bags
Oil Injection	Manual
Working Voltage	AC220V/AC380V- Three Phase

Spare parts:

Strong heavy Lathe bed seamless steel structure	HSD 6kw air cool Spindle

Sales terms:

- **Payment term:** 30% in advance, the balance by T/T before delivery.
- **Delivery time:** 30 Working days after in advance payment.
- **Guarantee:** 12 months year for the whole machine. Within 12 months year under normal use and maintenance, if something is wrong with the machine, you will get spare part for free. Out of 12 months, you will get spare parts at cost price. You will get technical support and service all the life time.

- All products are manufactured by ourselves, all machines are approved by ISO9001: 2008 and CE. We own self-managed Import and Export rights, Exporting to more than 50 countries, such as Germany, USA, Canada, South Korea, Russia, India, Egypt, Brazil, Uzbekistan, Vietnam, Southeast Asia, ect.,
- 18 years, enough experience of CNC Machinery Manufacturing. Enough experience of abroad after-sale service.
- Winning by High quality with good price, in order to make sure every details high quality level, most of the machines metal parts are made by our own. Machining Center imported from American. About 100 odd machinery Equipment including CNC machining center, large-scale digital display boring machine, double housing planer, etc. With strong manufacturing capacity.

Big machine Made in Taiwan for made the Machine lathe body.

Each small spare parts we are strictly check, then can be used.

5 sets Equipment made in USA for produce Mechanical parts

To avoid structural distortion. machine body and metal spares are processed by Vibrating Stress Relief (VSR).

- Any workstage is strictly processed according to EURO CE Quality and standard and ISO quality standard.
- Any set CNC Router will be done at least 72 hours careful testing and checking, from small part to the whole machine. After any parts quality inspection, finishing Basic maintenance measures, then the machine can be packaged by the specialized workers for transport.
- We cherish Every Customer and his requirements.
- We Value Every Machine's every detail.
